

## ANTS

There were seven ants walking in a line across my desk, and I looked at the middle three through a magnifying glass. How would that look?

## CAT AND BAT

I wrote the word "cat" and then used the same "a" as part of the word "bat." How would that look?

## FACE

I took a picture of my mom's face that was so close that you couldn't see the top of her head. How would that look?
