

Activity 8:

Parts Aplenty

Here's what to do ...

First cut along the dotted lines so you have a square shape. Then, cut away the number of shapes shown after each description. When you are finished, you should have just one shape left. Put your name on that shape. That's your answer!

- | | |
|---------------------------|---------------------|
| 1. Shoe parts (3) | 4. Garden parts (3) |
| 2. Refrigerator parts (3) | 5. Hand parts (3) |
| 3. Mouth parts (3) | 6. Swing parts (2) |
